(3) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply). Gender, age and frequency limits may apply.

(5) Highmark Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Be sure to verify that your provider is contacting MM&P for precertification. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.
(6) The formulary is a listing of Prescription Drugs and Over-the-Counter Drugs selected by Highmark for their quality, safety and effectiveness. This listing is subject to periodic review and modification by Highmark or a designated committee of Physician or pharmacists. Your program includes coverage for both formulary and non-formulary drugs at the specific copayment or coinsurance amounts listed above. Under SensibleRx Choice, you are responsible for the payment differential when a generic drug is available and authorized by your provider, and you purchase a brand name drug.
